Jim, Greenwich, CT

"I continue to be "blown away" over what everyone created in the middle of a field in Charlottesville, Virginia. I have spoken to the family and they can't stop RAVING about the tents... and I must tell you that so many guests approached me during the night and wanted to know all about them, when they were installed, how big they were, etc. So clearly, they were the hit of the night. Through the rain and other elements, your staff was always there for us when we needed them and could not be more professional."

Nicky, NYC

"Great job as usual!!!!!!"

Sarah Lawrence College, Bronxville, NY

"You have a great reputation throughout NYC (and I am sure, everywhere else). I worked with you numerous times...so I personally know how good you are. I look forward to working with you again in the future!"

Former FDNY Chief

"The tents you created for Kimberly's wedding on Memorial Day of this year were truly incredible. In the notes we received, the tents took first place in reviews. It is an understatement to say the wedding could not have gone on with out your fine judgment, careful planning and wonderful crew. No obstacle or demand was too much for your men. For three weeks, under the keen eye and ingenuity of your foreman, your crews labored to make our property beautiful and functional."

Alice, Scarsdale, NY

"Thanks so much for all that you did to make the tenting process go so smoothly. Everyone was totally "wowed" by the canopy! I think that we're setting a wonderful standard with events by setting tents. You made everything so easy for me, so thank you very much."

Mary, NYC
